

ALESSANDRO PAGANI, CFA

Alessandro Pagani is a portfolio manager and head of the mortgage and structured finance team at Loomis, Sayles & Company. He leads the group in developing investment strategies for mortgage pass-through, asset-backed, residential and commercial mortgage-backed securities across all fixed income products. Alessandro also co-manages the firm's securitized investment strategies.

With 27 years of investment industry experience, Alessandro joined Loomis Sayles in 2008 from Cambridge Place Investment Management, a specialty manager of credit sensitive structured securities, where he was co-head of global research and credit. He was also a director of asset-backed securities research at Banc One Capital Markets.

Alessandro earned a doctoral degree in economics and commerce from the University of Brescia in Italy.
